FORMER TEAMMATES OF HAROLD MARTIN posed for this photo just before taking the field to play several softball games and relive some moments in the past.

Harold was instrumental in organizing and coaching a team in the county softball league about 25 years ago and he also played on a G.E. team in Lynchburg.

Saturday night Harold rounded them all up and put them on the field once again. In addition there were several hundred spectators cheering just like the old days. Many of the players and their families came from Lynchburg and Harold really appreciated it. "I have really enjoyed the evening," said Harold, "and I hope every one had a good time. It has really been good seeing everybody again.".

PP&K Registration Now Underway

Registrations for the 1978 Punt, Pass and Kick Competition co-sponsored locally by Lawson Ford, Inc. and the Appomattox Jaycees continue to roll in. The contest, open to any youngster 8 through 13 years of age, seems to get more popular every year.

Registrations at Lawson Ford began August 18th and will be open until September 29th.

Any boy or girl meeting the age requirements who can punt, pass and kick a football - or who'd like to try -- will want to compete. Participants compete only against others their own age, and there is no body contact.

No special equipment is needed and participation does not impair a youngster's amateur standing. Each youngster competes in three categories - punting, passing and kicking. Judges score one point for each foot the ball travels on the fly, minus one point for each foot the ball lands to the right or left of the center tape.

Youngsters, accompanied by a parent or guardian, may register for PP&K at Lawson Ford, Inc. There is no entrance fee.
